

ACSDA MONTHLY MEETING
December 16th 2016

Present: Miles Williams Ed Plourde
Lee Thomas Daniel Clark
Ben Lothrop Michael Patenaude
Joe Bergan (via teleconference)

Treasurer's Report – Current balance = \$7,956.15. Ordered bags and lanyards, and will order pins and baseball caps w/ ACSDA logo.

Miles provided an update on the tentative schedule of classes for the 2017 ACSDA Annual Safety Symposium.

Had discussion on the need to find some presenters to teach the General Duty and OSHA Courses scheduled for Monday afternoon April 3rd and Tuesday April 4th. Joe Bergen, Carl Allen, Karl Jackson and Dave Guerette will work together to coordinate course presentations

It was discussed to include a presentation on Walking/working surfaces - by Mark Heffron – Dept. of Labor Region 1

Huber's sponsor of a Rigging Course – will no longer be on the schedule for Wednesday April 5th afternoon

ACSDA has lost its NMMC Liaison, Bobbie Jo Caron. Bobbie Jo is leaving NMCC staff and moving to Florida for a new job there. Miles is continuing to work with Leah Buck on CEUs for participants attending ACSDA Safety Symposium classes/presentations. There will be no charge for the classrooms at this year's Safety Symposium. ACSDA have locked in the ACSDA Scholarships, and ACSDA had a unanimous vote to work with NMMC to start an ACSDA Scholarship Endowment Fund.

There was a discussion on possible vendors at the 2017 Safety Symposium – Miles encouraged everyone to be thinking of who might be interested and to approach those businesses.

Geri will get mailing/e-mails out on "Save the Date" by January 1st 2017

Below is the most current DRAFT of the 2017 Safety Symposium
